

Please provide me with the user data you want me to use to create a resume. I need information like:

- **Name:**
- **Professional Experience:** (Company Name, Job Title, Dates of Employment, Responsibilities)
- **Technical Skills:** (Programming languages, frameworks, tools, etc.)
- **Software Skills:** (Software you are proficient in)
- **Project Details:** (Project name, description, your role, technologies used)
- **Academic Details:** (Degree, Major, University, Graduation Date)

Once you provide this information, I can create a resume for you in the format you requested.
